Tirana University

University of Tirana, Faculty of Economics

- University of Tirana was founded in 1957 and consisted of six faculties.
- One of the goals of the University of Tirana was his international recognition. This dream is already a reality with its involvement as a partner institution in several European Commission cooperation programs such as Tempus, Erasmus Mundus Action 2, IPA specifically: JoinEU-SEE, Basileus, Pacinno, Eureka, Tempus Interface. JoinEU-SEE and Basileus mobility projects have benefited all UT structures, students, academic and administrative staff.

- UT has also signed many cooperation agreements with various European and world universities and institutions. These framework agreements aim at academic and student exchange, joint research programs, academic exchanges in publications, magazines, organizing various conferences, etc. UT is also a member of many foreign networks such as AUF, UNICA, UNIMED, CMU etc
- Many of the leaders in different areas of our country have been UT students. We refer here to former Prime Ministers such as Fatos Nano, ministers like Gramoz Pashko, Arben Malaj etc.
