- Interesting information about your team 😊
- One of our team member had to leave in the last moment so interesting thing can be that right now two members do not know each other. So it will be a huge challenge to work together and find common ground.
- Another interesting information is that we all are from different departments and minoring in totally different fields. One of us is studying in Chemical Engineering field and minoring in Finance, second one is in Industrial design department and me, majoring in International commerce/ trading.
- One more thing is that we all know at least 4 languages...

# Wiz

## 황소(BULL)를 모는 마법사들, Wiz입니다.

Wiz는 슬기롭다는 뜻인 와이즈(Wise)에서 유래된 Wizard(마법사)의 준말로 지혜와 교양을 갖춘 자를 뜻합니다.

세계 금융시장의 중심지, 월스트리트에선 황소의 공격성향을 비유해 시장의 가파른 상승세일 때 황소장(Bull Market)이라고 합니다. 저희는 어느 Market에서도 현명하게 대응하는 **Wiz**가 되고 싶습니다.
